History and Function—Authorized by the Oklahoma Legislature in 1983 to oversee the implementation of the state foster care review program. A post adjudication review board, composed of local citizens, is to be established in each judicial district to advise the court on the appropriateness of the goals of the service plan for each child adjudicated deprived and the services provided to the child and family. The board also reviews the case of any juvenile adjudicated delinquent. The legislature changed administration of the boards from the Administrative Office of the Courts to the Commission on Children and Youth in 1991.
